

NOTICE OF POSTING TO ENVIRONMENTAL REGISTRY

Project Name: RE Smiths Falls 6

Project Applicant: RE Smiths Falls 6 ULC

Project Location: The project is located on Kitley South Elmsley Townline Road, southeast of Smiths Falls.

Dated at the Township of Rideau Lakes this the 30th of June, 2011

RE Smiths Falls 6 ULC is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the project and the project itself are subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09, as amended by Ontario Regulation 521/10. This notice is required under Section 15.2 of the Regulation.

Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a Class 3 Solar Facility. If approved, this facility would have a total name plate capacity of 10MW. The project location is described in the map below. For more information, including the project documents, please visit www.ontariosolarfuture.ca.

A proposal for a renewable energy approval in respect of the renewable energy project has been published on June 24, 2011, on the environmental registry (www.ebr.gov.on.ca) referred to in section 5 of the *Environmental Bill of Rights, 1993*. Comments in respect of the proposal may be submitted to the Director of the Environmental Assessment and Approvals Branch of the Ministry of the Environment, in accordance with the submission requirements identified in the posting on the registry. The EBR Registry number is 011-3954.
