

NOTICE OF A PROPOSAL

By Recurrent Energy

to Engage in a Renewable Energy Project

AND NOTICE OF PUBLIC MEETING

Project Name: RE Waubaushene 3

Project Applicant: RE Waubaushene 3 ULC

Project Location: The Project is located on Wood Road in the Township of Tay, northwest of Barrie.

Dated at the Township of Tay this the 4th of August, 2010

Recurrent Energy is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the project and the project itself is subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of Environment.

This Public Meeting is being held to provide information on the proposed project. As requested by the public, this is a repeat of the first public meeting that was held on the 30th of June, 2010.

Meeting Location:

Date: September 8, 2010

Time: 6:00 pm to 9:00 pm

Place: Oakwood Community Centre,
290 Park Street, Victoria Harbour, ON, L0K 2A0

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this project is to be engaged in, is a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 10 MW. The project location is described in the map below.

The Draft Project Description Report titled *Project Description Report RE Waubaushene 3 Solar Project* describes the project as a solar electric generating facility that will utilize photovoltaic (PV) panels installed on fixed racking structures. DC electricity generated from the PV panels is converted to AC electricity by an inverter. The voltage level of the AC electricity produced by the inverter is stepped-up to distribution level voltages by a series of transformers. A written copy of the Draft Project Description Report is available for public inspection at www.ontariosolarfuture.ca, and at local municipal offices.
